## PERRYSBURG LOST AGAIN

The Heavy Machinists were too Speedy for Local Boys.

Perrysburg lost to the Machinists Sunday afternoon 10 to 4. The heavy hitting of the visitors was too much for the Perrysburg pitcher. Five hits and four runs in the first inning. F. Canode retired in favor of Krebs. In the fourth with the bases all full Vogel got a Krebs curve and put it over the fence for a home run and put the game on ice. The Machinists played a good game while Perrysburg played a ragged game. The features of the game were the hitting of Annerean, Vogel and Brown of the Machinists and Mayo and Kopp for Perrysburg.

Next Sunday the General Furniture Club will be the attraction. This team has a strong line-up and will be hard to beat. J. Grubler once a Perrysburg player will be with the visitors.

Monday, Decoration day, the Future Base Ball Club will cross bats with Perrysburg. These games will make the locals play ball to win. Games called at 2:30 sharp. Come out and root for your favorite.

## HEILMAN MAKES GOOD

Mr. Howard Heilman, son of Mr. and Mrs. Joseph Heilman, a P. H. S. graduate and a graduate of the U. of M. of Ann Arbor, Mich., and who has been engaged with the Speere Engineering Company of Detroit, in scientific work, has recently received a promotion as a reward for meritorious service rendered the company in recent experimental work, and is now placed in charge of the field work for the Speere people which greatly increases his field of endeavor, and will take him to all parts of the United States in the work of installing special gas producing plants. The promotion was unexpected and given in consideration of his ability in the line of work in which the Speere people are justly famous. Here is a case of another P. H. S. grad. who has "made good."

After extensive tests German experts have decided that ivy benefits rather than injures stone or brick walls on which it grows by drawing superfluous moisture from them.

## ANNUAL OUTING

Township Schools Have Enjoyable Rally and Field Day.

The rally of the Perrysburg township schools held at Perrysburg last Friday, May 21, was a grand success.

Though the weather did not look favorable, at 10 o'clock the town hall was packed.

At 10:30 a literary program was given. All pupils rendered their part in such a manner so as to reflect credit upon themselves and their school.

Hon. J. E. Ladd delivered the address for the occasion. His speech was very fitting, inspiring and full of good counsel. He urged the people to be in the game all the time and make the best of life's opportunities.

Mr. Ladd's address delighted both young and old and they showed their appreciation of the eloquent remarks in which they were favored.

County Supt. H. E. Hall was present and was called upon to make a few remarks. He responded and complimented the people for the big turn-out and expressed his wish that there be such occasion in years to come.

Mr. S. T. Phillips' orchestra furnished several numbers which greatly pleased the audience and brought much applause.

After the literary program, the people of the various districts enjoyed a basket picnic dinner and had a good sociable time.

The crowd left the town hall at 2:30 and went to the village ball park where all took a part in an athletic program. Every winner of a prize had to work hard to win as there were many contestants in all the races.

A particularly interesting feature of the athletic program was the throwing of a ball by the lady school teachers of the township. The teacher throwing the ball the farthest became the winner of the ball thrown as a prize. The school maams demonstrated that they can throw too, for some threw over two hundred feet.

Another thing of great interest and excitement was the tug-of-war by the men. An equal number from the north side pulled against the south side. It was some pull, having lasted several minutes. But the south siders proved the stronger and won the cigars.

The north siders say they only lacked ten pounds and look forward to next year to get even.

Supt. F. J. Ault desires to express his thanks to all who helped make the occasion a success and also the ball park manager and owners for their accommodation and kindness in giving the township schools the use of the village ball park for the field day exercises.

## PASSING OF CHARLES G. ADAMS.

Perrysburg friends of Mr. Charles G. Adams will regret to learn of his death which occurred on Thursday morning at 2:30 o'clock, May 20, 1915, at his home in Sorrento, Florida.

Mr. Adams had been in poor health for several months. An attack of grip followed by a fever resulted in his death.

Deceased was born in Rockville, Ind., Dec. 28, 1851, and was a son of Rev. G. A. Adams, for many years a resident of Perrysburg.

He leaves four sisters, Mrs. W. H. Roose, Mrs. David Main, Misses Nellie and Julia Adams, and many friends to mourn his departure.

The funeral was held in Sorrento on Saturday and the body was brought to Perrysburg, where interment was made in the family burial lot in Ft. Meigs cemetery on Wednesday, the funeral being in charge of Dr. W. H. Pholey.

## SOME OBSERVATIONS

Concerning Nothing Very Serious But Worthy of Thought.

When loss of innocent life is involved it becomes difficult for the average citizen to consider the destruction of a ship on basis of sheer technicality.

A citizen who knows off-hand all the different kinds of taxes he pays is something of an expert on government as well as a mathematician.

See America on your vacation this year—it is worth seeing.

Early swimmers are doing a poor job of warming up the lake. American neutrality is in danger of being torpedoed.

No neutral nation intentionally wears a placard inscribed with the words "Please Kick Me."

Already it is apparent that the Democratic administration made a mistake in not protecting the Bull Moose from extinction.

## DEEDS OF KINDNESS.

A noble band of women from School Districts No. 5, No. 6 and No. 15, Perrysburg township have again manifested their spirit of generosity and helpfulness to humanity by a gracious deed of kindness. They celebrated May Day by placing a three gallon water cooler in each of the above mentioned School Districts.

Since their organization about 2 years ago they have quietly and graciously thought of humanity. They sent many boxes and barrels of clothing, bedding and food to the flood sufferers of Ohio. They have also remembered the needy near at home. They have given cheer to the sick by tokens of love in the form of flowers.

The following are the officers and members of this noble body of workers:

Pres.—Mrs. Nellie Mandell.  
Sec'y.—Mrs. Lizzie Biniker.

Treas.—Mrs. Addie Craine.

Mesdames Bertha Biniker, Densey Biniker, Clara Creps, Margaret Hahn, Minnie Hegemeister, Grace Harvey, Carrie Miller, Caroline Pfister, Clara Kopp, Sofa Limmer, Mary Johnson, Emma Lusher, Bessie Mandell, Amy Swartz, Mary Swartz, Rachael Waggoner, Louisa Wolf, Misses Anna Wolf, Kittie Mandell and Sadie Hold.
